

singabera

PREMIUM INDONESIAN TEA AND TISANE

Singabera offers an endless selection of tea blend, created from the finest tea leaves and the best natural ingredients: herbs, spices, flowers, and fruits, grown naturally by local farmers and communities from across Indonesian archipelago.

Bringing these natural agricultural products to global consumer shall encourage local tea producers and smallholder farmers to consistently produce high quality yield, eventually to help them improve their social and economic welfare.

Singabera's Luxurious Soilon Teabag

Specially designed to hold whole leaf teas, the unique form gives the leaves room to brew perfectly and deliver a full flavor and aroma of the high quality tea, spices and herbs of your choice. The filter, string and label are derived from plant based material, food-grade and 100% biodegradable.

Complimentary Custom Blend

We bring choices of teas, exotic herbs and spices to make a one-of-a-kind tea blend for your café, restaurant, hotel, venue or brand. With your help in providing character or selected ingredients, we can use our tasting and blending knowledge to design a highly signature infusion.
